

Blacksheep Fashions

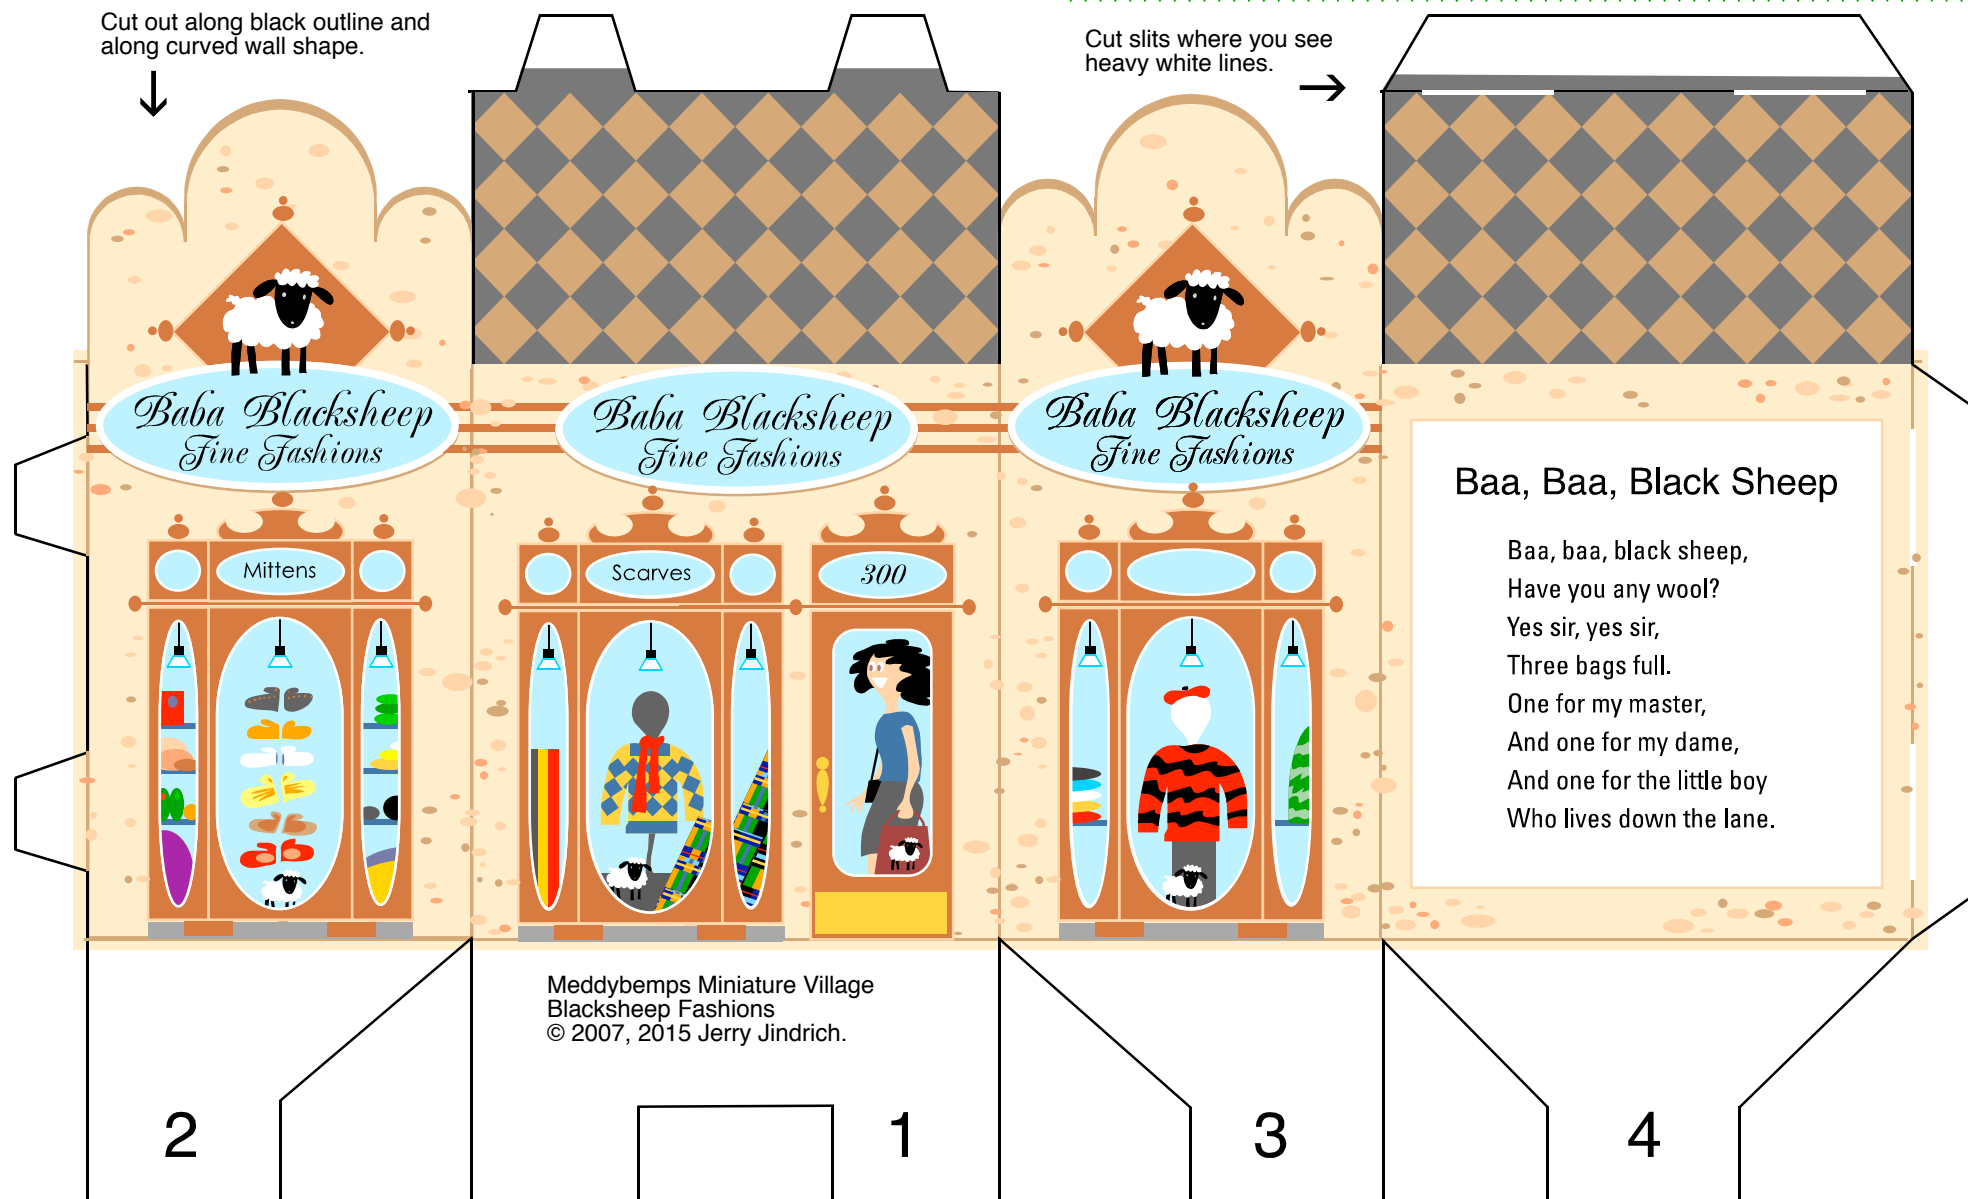

Cut out along black outline and
along curved wall shape.

To assemble:

- Cut the building from this sheet with scissors. Cut slits carefully with hobby knife.
- Fold and gently crease tabs, corners of building, roof panels and bottom flaps.
- Slip tabs into slots. Save bottom flaps until last.
- Fold bottom flaps under in numerical order. Flap 4 is last and should tuck under Flap 1 to hold them all in place. Use glue or tape for permanent assembly.

Baa, Baa, Black Sheep

Baa, baa, black sheep,
Have you any wool?
Yes sir, yes sir,
Three bags full.
One for my master,
And one for my dame,
And one for the little boy
Who lives down the lane.
